Ausbildung

2013–2022 **Abitur**, *Gesamtschule Hüllhorst*

2022–2025 **Computer Science B.Sc.**, *RWTH Aachen*, *Grade 1.0 (with distinction); best possible grade*

2025–today **Computer Science M.Sc.**, *RWTH Aachen*

Berufserfahrung

2024–today **Research Assistant**, *RWTH Aachen University*

- Research assistant for the Machine Learning and Human Language Technology Group at Institute 6
- Machine Learning, Automatic Speech Recognition (ASR), specifically on Error Correction Models and Denoising Language Models

2023–2024 **Student Tutor**, *RWTH Aachen University*

- Weekly In-Person Tutorials for International Students under the FTBA Program at RWTH Aachen
- Coordination with Co-Tutors to prepare and teach the contents of all four first-semester courses
- Provided support by addressing student questions and clarifying complex topics

Ehrenamtliche Tätigkeiten

2024–2026 **VideoAG**, *RWTH Aachen University*, Student Council Math/Physics/Computer Science

- Upgraded and maintained the student council's lecture video platform
- Migrated from a server-rendered website to a modern static Next.js frontend with an API-based backend, improving time-to-interactive by 3x
- Replaced an Ansible-based deployment to a fully containerized Docker/Kubernetes setup, improving maintainability and uptime
- Introduced automatically generated subtitles to make lecture content more accessible to hard-of-hearing students

Auszeichnungen

2026 **Bachelorpreis (Bachelor's Thesis Award)**, *Faculty of Computer Science, RWTH Aachen University*

Awarded at Tag der Informatik 2026 for an outstanding Bachelor's thesis on "Denoising Language Models for Speech Recognition". Given to 4 out of 473 graduates.

2024 **Dean's List**, *RWTH Aachen University*

Awarded for outstanding academic achievement: Among the top 2% of students in my year by grade. (top 10 of 492 students)

Veröffentlichungen

arXiv preprint *Reproducing and Dissecting Denoising Language Models for Speech Recognition*, D. Koch, A. Zeyer, N. Rossenbach, R. Schlüter, H. Ney, 2025, arXiv:2512.13576
